Payment:

You can pay by cash (exact change, please) or check made out to the Collin County Treasury. You may pay in person or mail payment to the Elections Department at 2010 Redbud Blvd, Ste. 102, McKinney, TX 75069.

Delivery:

We will email the file to you the morning after each day of Early Voting. Files will not be delivered until payment is received.

To Request a List:

Please make your request in writing by emailing us at election@collincountytx.gov .

Format:

The Early Voting lists are exported from our electronic poll books, which contain only Collin County Voters. The list will be an Excel file. Early Voting files are not cumulative; there will be a separate file for each day of Early Voting.

For a primary election, there is one list per day which will include both parties. You will be able to sort to view a particular party if you wish.

Data Included:

The file will not include phone numbers or email addresses. It will, however, contain each voter's Collin County Certificate number, registered address, the site at which he or she voted, the date he or she voted, the voter's registered precinct, and ballot style or party, depending on the type of election.

Per state law, Early Voting Lists are public information and we are required to make each day's list available upon request the next day.

Texas Election Code Section 87.121(g) "Information on the roster for a person who votes an early voting ballot by personal appearance shall be made available for public inspection not later than the beginning of regular business hours on the day after the date the information is entered on the roster..."
